

APPLICATION FORM FOR SOCIAL GROUPS

Please complete the entire application form so that we may best meet your child's needs and interests, include a one-time \$75 application fee, and return to our office. After the application is received, we will contact you to schedule an intake meeting.

Social Groups meet weekly, and are formed based on best matches of student profile and family schedules during weekday afternoon/early evening hours, and on Saturdays. During your intake meeting, we will discuss potential fit for specific groups, as well as schedules. We offer a school-year session (September - June) and a short summer session (July - August). Students may join mid-way during the school year in any group with an opening where there is a compatible fit and the timing of joining is beneficial for all students. We ask that students do not join the summer session mid-way through, given its brevity.

Afterschool: 3:30pm - 5:30pm							
Evening: 5:30pm - 8:00pm							

PLEASE NOTE THE FOLLOWING GROUP PARAMETERS and POLICIES:

- Social Groups are held for 60 minutes once a week, with a ratio of approximately 1 adult facilitator to 4 student participants at the rate of \$70.00/hour per weekly group, per participant (usually 2 adults with a maximum of 6 student participants per group).
 - If during the intake meeting the parent/guardian and educational consultant determine it is in the participant's best interest to attend a dyad peer group (1 adult to 2 students), the rate of \$75.00/hour per weekly group, per participant applies.
 - Individual sessions with 1 adult to 1 student participant are billed at \$85.00/hour per weekly session, per participant applies.
- Schedule - Learning Solutions runs two sessions of Social Groups per year: the School-Year Session runs from mid-September through mid-June, and the Summer Session runs July-August. We follow the local Norwood Public Schools schedule in relation to snow days. The intent of these sessions is to maximize consistency of the students and staff within a group, in order to maximize the benefit. Students are asked to commit to the full Summer Session, and a minimum of 8 consecutive weeks of the School-Year Session.
- Enrollment - Enrollment for new students is contingent on an intake meeting to assess fit. Students are accepted into the School-Year Session on a rolling basis, pending available slots in appropriate groups and the appropriateness of timing at the discretion of the group clinician/leader. Given that the Summer Session is short, students must begin during the first or second week of group in order to enroll in that session.
- Payment - Learning Solutions provides invoices to families prior to a month of services, and requests payment upon receipt. When a student registers mid-month, the family is expected to pay for the pro-rated remainder of that month before beginning group. Payment is required in full, even if students must miss one or more sessions due to absence, vacation, or other reasons (except by written approval of Learning Solutions owner). Learning Solutions does not bill insurance or 3rd parties directly.
- Discounts - Learning Solutions offers discounts and credits in the following ways:
 - (1) Returning Student Discount: Students registering in adjacent sessions (i.e. Summer immediately following School-Year, and School-Year immediately following Summer) are eligible for a 5% discount, as long as the enrollment is continuous.
 - (2) Sibling Discount: If siblings are enrolled in the same session, the first sibling is charged full price (minus 5% returning discount if applicable) and second/other siblings receive a 10% discount. The largest discount any individual student is eligible to receive is 10%.
 - (3) Referral Credit: A \$100 credit will be provided to a family who refers another student, who registers for group and participates in at least 8 consecutive weeks of services.
 - (4) Any other discounts provided in writing by Learning Solutions owner.
- Cancellation - We require one month notice for any student leaving group, after the first 8 consecutive weeks of group. Families are expected to pay for any sessions - whether attended or not - for the month following notice of cancellation. Please note the exceptions to this: (1) documented emergency/medical reasons, (2) if Learning Solutions cancels group and is unable to re-schedule at a time the family can attend (this includes snow days), and (3) any other exceptions provided in writing by Learning Solutions owner.
- \$75.00 application fee is due upon submitting an application (non-refundable). Original Application Fee and Intake Meeting remain relevant unless participant takes greater than 6-month break from attending group.

Please sign below to indicate your understanding and adherence to the policies outlined above, your accurate reporting of student information in this application, and your intention to enroll the above-named participant in **Learning Solutions, LLC** Social Groups during the session indicated.
